Sir:

I, Joanne Ibsen declare:

(1) I worked at Targit A/S ("Targit") between the years of 2000 and 2007. From September 2000 to June 2003, I served as a marketing manager. Between June 2003 and 2007, I served as a Partner and Account Manager.

(2) It is my understanding that the United States Patent & Trademark Office ("USPTO") issued an Office Action dated May 5, 2010, that relied on *TARGIT Analysis 2K3 Technical White Paper*, Ver. 1.2, July 2003 ("the TARGIT reference").

(3) I have reviewed the TARGIT reference and I am the sole author of this paper.

a. I obtained the information contained in the TARGIT reference from Mr. Morten Middelfart, Director of Research and Development at Targit.

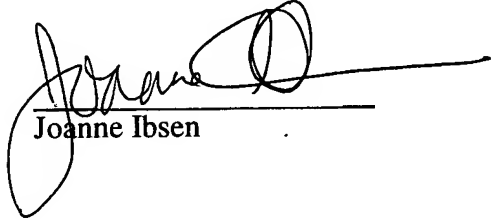

b. I received the information included in the TARGIT reference from Mr. Middelfart verbally in Targit's office around April 2003.

c. The TARGIT reference is based entirely on the information provided to me by Mr. Middelfart.

(4) I declare that all statements made herein of my own knowledge are true, and all statements made on information and belief are believed to be true. Further, I am aware that any willful false statements and the like are punishable by fine, imprisonment, or both (18 U.S.C. § 1001), and that such willful false statements may jeopardize the validity of the '509 application, and any patents and applications related thereto.
